 Tools: Adobe XD, InVision, Photoshop, Illustrator, Overflow, Miro

Alex Roush Architects, Inc./ Peacock Partnership

Architect Intern/Interior Designer 2016-2018

- The opportunity to work on the design team of our firm was the major highlight of
 working as a Job Captain. The immediate needs of our clients became a lot more
 apparent during this stage of production. It offered the chance of establishing strong
 client relations, as well as the skill to rapidly sketch design solutions.
- Awarded the chance to work on multiple projects with one of our project managers in redeveloping existing tenant spaces. It was a major milestone that paved a path to building project management and leadership skills.
- Designed and presented multiple floor plans per week to our clients via webinar meetings. The need to iterate and sketch ideas for our clients was an integral aspect for the design team.

Tools: ArchiCad, AutoCad, Photoshop, Revit
